Brush your teeth
last thing at
night and at least
one other time
during the day,
with a fluoride
toothpaste.

Sugar is the main cause
of tooth decay and too
much sugar can lead to
weight gain.

Try to reduce and
replace sugar in your
diet with Change 4 Life.

Visit the dentist
regularly, as often
as the dentist
recommends.

Ask about fluoride
treatments i.e. varnish,
mouthwash and
toothpaste.
