

## Key messages:

**Locala continues to provide Covid-19 vaccinations**, from 5 years old, at John Smiths Stadium. The centre has become nationally recognised for its provision for people with additional needs. It is recommended that the parent or carer phones ahead to explain the individual's needs, and the team at the Stadium will do all they can to accommodate individuals and ensure that the vaccination process is as stress-free as possible. Appointments and walk-ins are available. The number for the centre is 07970 991954.

**All long-term condition reviews** that were referred in before 18<sup>th</sup> February, have now been completed, excepting those with circumstances preventing them taking place. Any that were referred after the 18<sup>th</sup> February deadline will be done as soon as possible. A new system is being planned for the year ahead, with changes to how the case load is managed. Updates will be shared when available.
