

North Kirklees Special Gymnastics Club (formed in 1988)

The aim of "North Kirklees Special Gymnastic Club" is to provide a high level of gymnastic coaching to children, young people and young adults with a wide variety of Special Needs, in order that they can experience the challenges and opportunities for fulfilment of sport to which they might otherwise not have access.

We offer a high level of gymnastic coaching tailored to their special needs provided by our volunteer coaches. All have level one or level 2 British Gymnastic Coaching Awards and are experienced in working with children and young people with special needs. They are ably assisted by a number of experienced volunteer assistants.
