

Goldilocks and the three bears

Chorus:

When Goldilocks went to the house of the bears
Oh, what did her blue eyes see?

1. A bowl that was huge and a bowl that was small,
And a bowl that was tiny and that was all,
And she counted them – one, two, three.
2. A chair that was huge and a chair that was small, etc.
3. A bed that was huge and a bed that was small, etc.

4. A bear that was huge and a bear that was small,
And a bear that was tiny and that was all,
And they growled at her – ROARR! ROARR! ROARR!

Children of all ages like to act out this old familiar tale and to sing the words. You could start off by telling the story and then finish by dancing and singing it.
