

## Your religious and cultural needs

Whilst you are our guest, we want you to feel at home during your stay. Our guests come from diverse back grounds and cultures. We respect that what matters to someone is personal to them. Some of our guests have a faith and practise a religion in a way that suits them. And of course, many of our guests tell us they aren't religious at all.

Whether it is the way you pray, the food you eat, the way you dress, or anything else important to you about your faith or religion, we want you to be able to be yourself whilst you are here.

We are also happy to contact your faith leader or arrange a visit for you from a local place of worship.

Please discuss any religious or cultural needs with us and we will listen and support you in the best way we can.
