

Emma's patient story: Going to the dentist

Emma came to the dentist for a check-up. She told the dentist receptionist her name when she arrived.

Patients need to clean their hands with gel to clean hands and wear a face mask. This is to help people stay safe from catching Coronavirus.

Emma sometimes feels scared going to the dentist, but the team understand, and they are very kind.

Emma sat in the dentist blue chair for her check- up with Ian the dentist and Debbie the nurse.

Emma needs to come back to the dentist again to see the dental hygienist, who will give Emma's teeth an extra clean.

Emma says

I don't like going to the dentist but when I come out, I know it's okay!

Emma's sister Becky says

Everyone here is absolutely brilliant! The receptionists and the dentist team are all great.
